

To whom it concerns.

MY legal name is TONTINI LUCA , and my sannyas name is SWAMI CHITTA NIRODHA ; I' m 22 years old. I' m studying for lawyer at Bologna Univrsity (Italy). I took my sanyas on June 28th ,1983 and I knew Bhagwan Shree Rajneesh on 1982.

My beloved Master is a way for me, or (as He prefers) a gate. A gate through which I can find my inner growth and self - aknowledge. In it I can find the presence of God which is in all us. That's why the first thing He leads us to is an infinite joy.
