

Brisighella - 27.7.83

- to whom it concerns -

My Sannyas name is Prem Oma,
my legal name is Luciana Liberati
↓ I am sixty-two years old.

↓ I have the degree in foreign language

↓ I have met Bhagwan 5 years ago

and after three days that I know
Him, I have become Sannyasin.

For me Bhagwan's teachings may
be very important for everyone who
wants to live a serene life.

He is, for me, the greatest religious master
since many centuries. He teaches how to accept
everything, to know myself and God,
with love and trust
