To Whom It may Concern,

I'm an American citizen and resident of Rayneeshpuram. I have chosen to live here because I am a disciple of Bhagwan Shree Rajneesh. His presence here is pervasive. Bhagwan, as you probably know, is an Enlightened Master. Imagine, if you will living in the days of Jesus Christ. Obviously, if you had the opportunity to live near him & see him daily, you would not settle for reading accounts about him.

Bhagwan has taught us that life is a celebration. Daily we celebrate the beauty of working together and seeing our leader. Although we call him ^a Master, we are in ~~no~~ no way enslaved to him. His insight and presence here is a continuous reminder that we are not enslaved ~~to~~ by antediluvian traditions.

To sum things up, Bhagwan's being here makes Rayneeshpuram a Holy City. We are incredibly lucky to have him here, & to be here ourselves w/ him. He is alive & he is here. We are not living a mythology, rather a reality. As an American citizen, I expect support of my constitutional rights. I also expect a reasonably intelligent government, that can appreciate

the extraordinaryness of what Bhagwan is, and allow him to stay with us.

Thank you for your attention and your support.

Yours truly,

Ma Satpriti
