To whom it may concern,

I'm
nearly 3 months sannyasin and I
never seen Bhagwan. I lived 5 mont
in a sannyasincommune and I felt
more and more a commitment to
Bhagwan. Living in a sannyasincomi
is living with Bhagwan.

Learning to share my feeling, emotic
and my love with others. Coming to
myself, coming in harmony. Giving
and receiving.

What he teaches I read it in boc
hear it from tapes, see it on vide

To practicise his words and wisdom
is a long process of becoming awc

I can still learn a lot from him as

I want to see him, be near with
next summer with the festival.

Bhagwan has a great energy th
goes even over the oceans to
sannyasins in other countries.

Bhagwan is a great master for
me and I'm his diciple.

Love
Ma antar Darsho
