

To whom it may concern:

I want to draw your attention to the Enlightened Master Bhagwan Shree Rajneesh. Since 5 years he is my Master. In these years I know him as a great spiritual leader.

Through Bhagwan Shree Rajneesh I learned how to celebrate life.

Let him stay in America,
It's a great honor for a country to ~~harbour~~ harbour a living Buddha.

With love,

Akal.
