To whom it may concern:

I am 15 years old and a sannyasin since 5 months.
I wear red cloths and the mala with the picture of
Bhagwan. I got to know Bhagwan through his disciples.
They have been the channel who has brought me to Him.
I have never seen Bhagwan, but I love Him more than
all the people surrounding me. When I look at one of
his picture I fell some very strong feelings and I
realize that He is Bhagwan.

When I read one of His books I have His voice in my
heart and it feels as if He would talk to me.
I love Bhagwan and all the sannyasins. I am happy to
have a master and lots of His disciples helping me
in my search. I am sure one day I will see Bhagwan.
Now I am here and love Him.
