To Whom It May Concern

As a qualified social worker, I am dealing with people and their problems and inability to live their daily lives.

Since three years I am a disciple of Bhagwan Shree Rajneesh. Through being with Him and opening to Him and His teachings, I gained a new and deeper understanding and insight into modern man, his need for love and freedom.

Since being a sannyasin my approach to clients and people generally has become more sensible and open. It was and still is enriched by the love, acceptance and freedom I experience with and around my Master.

It is hard for me to understand, that an exceptional being as Bhagwan Shree Rajneesh is not permitted to stay in the United States which, more than any other nation in the world, stands for freedom and liberty.

Yours sincerely,

U. Zagray
