To whom it may concern,

I have been a disciple of the enlightened master Bhagwan Shree Rajneesh for five years, and I feel an immense gratitude towards him for all he has done for me just being here.

What he is doing, and has done, for thousands of people is so beautiful, and after meeting him people change in such a positive way.

Bhagwan is now not speaking, but through his very silence he is teaching us love and freedom, in the same way he did while he was speaking for many years.

The relationship master - disciple is a very, very beautiful experience for me, and I feel so grateful for what is happening to me after meeting him.

Here in Oregon he has created a place where people can live together in peace and freedom and joy, and this place is open for all who would like to visit, and to close it down now would be such a pity for all people here and also for all future visitors.

So, with respect, please let Bhagwan stay

2) and give us all this opportunity to stay with our beloved master, - this opportunity is now too valuable to be destroyed.

This place is so beautiful, and with Bhagwan here it is becoming more beautiful every day.

with respect,
ma dea Shumka,
