An. la Merloni, Via Vedreggio 8 b, 6963 Pregassona

Pregassona, August 3, 1983

To whom it may concern:

I am not a sannyasin because I am too lazy, but I really share their ideas. I think that in a society as ours where words are wasted and don't lead anywhere a person like Bhagwan Shree Rajneesh is needed, because He is able to guide us with His truth. Words cannot love, only the heart and an open mind.

*A. Merloni*
