To whom it may concern

I like to write you about my live with my master Bhagwan Shree Rajneesh.

Since 4 1/2 year I am a discipel from Bhagwan Shree Rajneesh.

Through him I learn to live totally.

In july I visited Rajneesh puram, and what I saw what can happen in a Bud dhafield they built so many buildings and roads and the nature became more open.

For me It is very important that Bhagwan lives a long live, and in America. it is really healthy. Then we have a master longer on the earth.

love.
