TO WHOM IT MAY CONCERN:

I am self-employed furniture manufacturer, professional artist and amateur musician. It has come to my attention that Bhagwan Rajneesh might be denied residence in this country, and I feel that would be a grave injustice and loss to our society. I have not met him, nor am I a follower of his, but his literary works and teachings have had a profound effect on the improvement of my life and my relationship with others, and that his continued presence in our country would be a great benefit for all individuals.

Yours sincerely,

Tim Harris
