To whom it may concern:

I have been a psychotherapist in Los Angeles for 14 years and have been reading the books of Bhagwan Shree Rajneesh for the past 10 years. The insights provided me by him of his books have been extremely far reaching and have embellished my work and effected my personal life deeply.

I feel Rajneesh adds illumination to the American way of life and I fully support his stay in the United States.

Sincerely,

Sandra K. Collins M.A.
