To whom it may concern

When I read Bhagwan's books, I felt something.
then, I went to Rajneesh Meditation center in Tokyo.
that's why I become a sannyasin. I took sannyas-
on 5th of Jun, 1983, in Rajneeshpuram. and I was-
doing meditation. Since I became a sannyashin,
I became a very positive man. and my hurt is
open. Now I am very huppy. I can love people.
I can love myself
