

August 6, 1983

To Whom It May Concern,

I became a Rajneesh Sanyasin on July 8, 1983 and did so following a deep heart-to-heart communion with him during my stay at Rajneeshpuram.

His books and tapes are very meaningful also but are not the reason I took Sanyas. It is rather the feeling I get when in his presence which I feel wherever I am.
